# 2019 University Experience University Research Program Report

**UCI** Division of Continuing Education

ip.ce.uci.edu

# CONTENTS

# Program Overview

Experience University Research for Undergraduates (EUR Univ) is an academic and culturally immersive program designed to help highly motivated students take advantage of a Top 10 university campus, building practical skills in a variety of subject areas and gaining invaluable experience as they prepare to apply to top graduate programs and begin careers.

For the 2019 EUR Univ program, UCI dozens of students from the U.S., China, and Brazil, August 4-24.

Some students also joined the EUR Intro Week July 28 – August 3, to spend extra time studying English and academic skills.
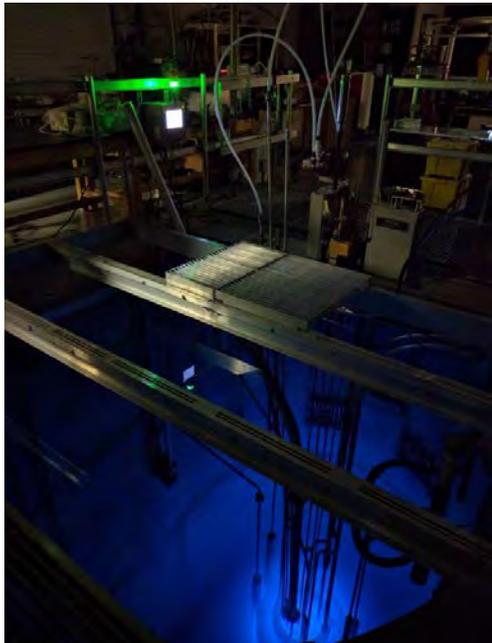

# EUR Intro Week

## July 28 – August 3, 2019

During EUR Intro Week, students took English language classes, toured UCI labs, and participated in activities with other international students in other UCI programs.

*EUR Intro Week touring UCI's RapidTech 3D printing facility*

*Enjoying Crystal Cove State Beach with new friends*

*EUR Intro Week students visited UCI's nuclear reactor facility and learned from UCI engineers*

UCI Division of Continuing Education

# Coursework

Overview of EUR Classes

# Core Classes (3 hours/day)

All EUR Univ students took the following core classes to sharpen their oral and written communication skills in order to become successful graduate students and professionals.

Global Communication Skills – Students reviewed academic vocabulary, learn note-taking strategies, prepare oral presentations, annotate university lectures, and lead discussion groups.

Advanced Writing Compostion – Students learned the essentials of American university writing by thoroughly analyzing academic articles and developing evidence-based claims.

# Electives (6-10 hours/week)

Intro to Environmental Analysis & Design

Students learn about climate change and public policy as they examine real-world case studies. *Pictured on the right, Juliana Zanotto, Ph.D. (top left), John Whiteley, Ed.D. (top center), and Daniel G. Aldrich, III, UC Office of the President (top right) with EUR Univ students.*

Project Management Applied to Data Analytics

Students learn current data analytics methods involving Big Data and create innovative solutions to a business problem. Students performed data-driven discovery and prediction, extracting value and competitive intelligence for their projects.

UCI Division of Continuing Education

# Electives Continued (6-10 hours/week)

Expressive Design with IoT Devices and Robots

Students learned about Python, IoT Devices, and Hardware by designing and programing robots to complete a series of pre-determined tasks using Raspberry Pi single-board computers. *Pictured on the right, Saleem Yamani, M.S. (center) and Dave Dimas, Ph.D. (top right) with EUR students.*

International Trade & Supply Chain

Students learned impact of the international trade in today's global economy and how the supply chain works, including physical transportation, infrastructure, inventory and packaging, customs privileged facilities, and more.

UCI Division of Continuing Education

# Electives Continued (6-10 hours/week)

JavaScript

Students learned how to utilize the power of JavaScript by combining it with HTML through the DOM (Document Object Model) in order to build fully functional web applications. Students learned many tools for real-world web application development. *Pictured on the right, Humza Bhakhrani, Software Engineer at Google, teaches EUR students.*
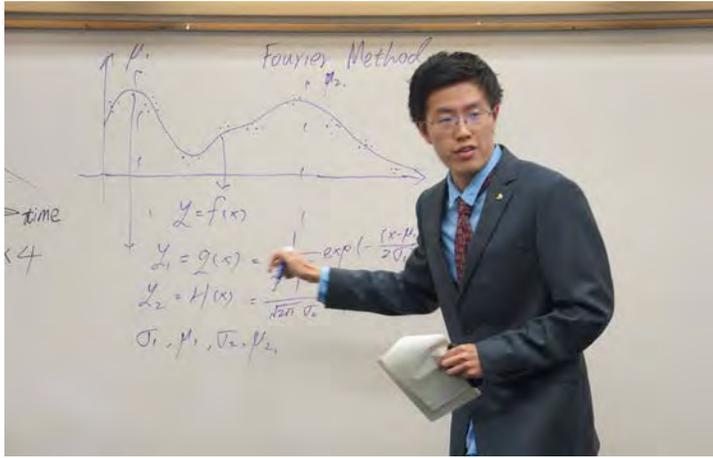

*A student gives a presentation in Project Management with Data Analytics*

*Linda Gruen gives feedback to a student in Advanced Writing Composition*

*Students share ideas in Global Communication Skills*

*Students test out their coding with Dave Dimas and Saleem Yamani*

**UCI** Division of Continuing Education

Accommodations

UCI Dormitories & Campus

# Mesa Court Towers

Located on the UCI campus and just two years old, the Mesa Court Towers provide clean, comfortable accommodations to EUR students.

A UCI Housing Advisor lived with students to provide 24/7 support. Students also had access to laundry facilities and a kitchenette.

Students dined in the Anteatery Cafeteria located in the Mesa Court Towers as well as in many of the 16 other dining locations on campus.

Dorm rooms are fully furnished and include bedding, towels, and Wi-Fi.

# 2019 Certificate Ceremony

EUR University

# TESTIMONIALS

from 2019 EUR Univerity

# Shijing LIANG (pictured)

It benefited me a lot. I learned something new to me especially in the writing class. I improve my listening and writing skills... I really like to say thanks to all the instructors and professors here. They are so helpful and always willing to answer my questions so I really have a wonderful experience here. Thanks to UC Irvine, it's my honor to be here.

# Shenglei ZHANG

I studied JavaScript here and it's really hard for me, kind of. The CSS and HTML, I didn't learn it before, but the teacher is really nice here. They teach you just like they are your classmates and teach you like... show you how to do this... if you want to have a different experience, a foreign experience in America, the best place you can go is UC Irvine.

UCI Division of Continuing Education

Thank you!
